It is a new year and time for a fresh start. Self-improvement is always at the forefront at this time of year. eVideos and eAudios on MLib2Go and the eBook Public Library (on our online databases page on the website <http://cville.lib.mo.us>) offer plenty of information. All you need is a valid Caruthersville Public Library card to set off in a new direction.

Fresh Programming at Caruthersville Public Library

AEROBICS is a fun, twice-a-week exercise group taught by Kirby Cagle. Times are Tuesdays from 6:00-7:00 and Saturdays from 11-12. Get back in shape after the holidays and also have some fun.

HandyCrafters takes place each Monday morning at 9:30 (or Tuesdays following Monday holidays), allowing patrons to make progress with their crafting projects or learn a new skill, since experienced knitters, crocheters, and even quilters are a part of the group and willing to lend a friendly hand. Attendees are usually treated to delicious baked goods, courtesy of the members, too.

Lego League makes its return on January 20 with one of our Teen Advisory Board members directing the group each week in its chosen theme. Bring the kiddos from 10-12 each Saturday and see how creative they can be. (The library has Legos, but it is fine for children to bring their own, as long as they are willing to share.)

The Helen Schult Garden Club will be presenting a **Little Girls' Tea and Etiquette Training** on Sunday January 21st from 2:00-4:00. Cost is \$30.00 and benefits the Garden Club in their landscaping at historic Stephens Corner in Caruthersville.

Sunday Movies at the Library

January 7 - "Extraordinary Measures"

January 14 – CLOSED for Dr. Martin Luther King's Birthday

January 21 – "Precious"

January 28 – "This is 40"

NEW BOOKS AT CARUTHERSVILLE PUBLIC LIBRARY

New Large-print books are also available for our patrons. The larger-sized print makes for a much more comfortable reading experience, even if your vision is still good. Audiobooks are another way to enjoy reading if your eyes aren't up to the experience. We have a good selection of these, too. Great for the long winter nights.
