## Summer at Caruthersville Public Library

It is summer again and this always means a very busy time at our library. Fishing rods and tackle boxes continue to be checked out at a rapid rate and Mrs. Dawn Jordan will be promoting a new “Ride with Me” for the bicycles and helmets provided by the Healthy Communities grant through the Pemiscot Initiative Network.

Our summer reading program – “Libraries Rock!!”- is bringing about a number of events. Tuesdays are storytimes and activities, as well as occasional nutrition info. Wednesdays are children’s movie days, Thursdays are “Crafternoons”, when children can let their creativity run free with hands-on activities and crafts. Open to all ages is our reading log contest where those children who read five hours or adults who read five books and turn in their logs will be entered for a cash prize or a Kindle at the end of the program.

Summer is a great time for good books and fun. Join us!

## BOOKGROUP INFORMATION

### Caruthersville Public Library one of 25 in nation to take part in "Libraries Transforming Communities"

Caruthersville Public Library Director Teresa Tidwell will be traveling to New Orleans, LA for the annual American Library Association meeting to take part in a pre-conference called "Libraries Transforming Communities", which will give training and instruction on ways that libraries can be leaders of change and transformation in their towns.

"This is quite an honor for our library and our city to be represented in this way, as it brings recognition and also provides us with ideas and information to help our city progress into the future," said Tidwell.

### iPads Now Available For Use in Library

The five iPads that were made available to our library for the Early Literacy grant through the use of federal Library Services and Technology Act (LSTA) funds, are now ready for use by children during the summer in the children's room at the library only. These iPads are a nice addition to the patron computers, as they can allow games and programs that might be filtered out on the larger computers, or bring malware or viruses (iPads are surprisingly resistant to these things.)

To allow plenty of time for adults to transact their business each day, children are not allowed on computers or the iPads until after the summer lunch is served at the John VanAusdall Reading from June 4 until July 27. After approximately noon each weekday, the iPads are available on a first-come, first-served basis and must be checked out with the circulation staff and returned TO THEIR HAND (not just laid on the desk or left on a table in the children's room). ENJOY!!!

### Caruthersville and Hayti yearbooks still available!
