Been afraid to return lost library materials because of the fines? March is "Amnesty Month" at Caruthersville Public Library. Bring your overdue or lost materials back to us – no questions asked, no fines charged. You can end up with a clear conscience and the library gets its materials back. A WIN-WIN situation!

March is Women's History Month

Women's contributions to history only recently began to be formally recognized and celebrated.

The theme for 2016 is *"Working to Form a More Perfect Union: Honoring Women in Public Service and Government"*.

On March 22nd, from 5:00-7:00 p.m., a special women's history program will be held, featuring talks from women in the area, presenting inspiring examples of women who are making positive contributions to the community and telling the stories that brought them to where they are today. Sponsored by PIN's MO Mentoring Partnership.

"COOK THE BOOK" LUNCHEON

Featuring Caruthersville cookbooks, the luncheon will be on Thursday, March 31st at noon. Come by, browse the collection of cookbooks (some quite vintage), choose a dish and prepare it for our get-together with library friends. The first two have been really fun!

PAINT CLASSES

“I’m NO Expert” Painting and Creativity – March 24th at 7 p.m.

Vicky DeReign will be the hostess at an introduction to canvas painting at Caruthersville Public Library. It will demonstrate the process of painting on canvas, as well as other types of art creativity that Vicky and others in her creativity group have learned. Absolutely NO art talent is needed to create beautiful works of art. Join Vicky to see how it is done and sign up for future classes to be held at the library.

Caruthersville Area Arts Council Bookgroup will be meeting on March 24th at 11 a.m. to discuss the local-interest book “Murder on the Floodways” by Harold G. Walker. Harold’s first excursion into the world of literature, by using his skills as an investigator, he undertook a four-year investigation into a vicious killing that took place when he was twelve years old on his family’s small cotton farm located in Pemiscot County, Missouri. Readers will recognize names of local residents in the book and it should be a lively discussion. All are welcome!

OTHER LIBRARY PROGRAMS CONTINUE IN MARCH:
