New Multi-function Copier funded by LSTA Grant

Caruthersville Public Library was honored to receive an LSTA Technology Mini-grant to purchase a new Ricoh MPC 2504 multi-function copier to replace the old, malfunctioning one that we had been using. We are glad that we can now better meet our patrons needs for copies and printing. Thanks to the MO State Library and the MO Secretary of State's office for overseeing this valuable service in providing grant opportunities to libraries in the state.

DON'T FORGET!!!

Cotton Blossom yearbooks available from 1950-2015

We have digitized the entire collection of CHS Cotton Blossom yearbooks from 1950-2015 (and even have a handful from back in the teens and twenties), as well as a few Hayti and Steele yearbooks. We can make a copy of the yearbook from your senior year or all four years that you or your parents or children were in school. Only \$10 for each volume and it can be copied to a CD/DVD or to a USB flash drive. This would be a great Christmas gift for anyone who lost their yearbooks during natural disasters or who weren't able to purchase one while in school. Call or contact us at 333-2480 or <http://cville.lib.mo.us> and we can prepare the volumes that you would like to have.
