Baby Basics is for new moms and dads, or any caregivers who would enjoy spending time with your youngster, doing activities, playing games, and building literacy.

A special Halloween partnership with Parents as Teachers and the Missouri Mentoring Partnership will be held here at 10:30-11:30 on Thursday, October 22nd. Pictures, games, treats, and a special story time will be held.

Handy Crafters will be held on the first and third Mondays (Oct. 19th) of each month (excluding holidays) from 9:30-10:30, allowing patrons to make progress with their Christmas crafts or gifts or learn a new skill, since experienced knitters, crocheters, and even quilters will be a part of the group and willing to lend a hand.

Patrice Smith, a volunteer here at the Public Library, has read and fallen in love with this book as a high school student. It's about an aimless high school senior from North Carolina who falls in love with a innocent young woman that he and his friends once scorned. The two develop a powerful and inspirational relationship in which they discover truths that take most people a lifetime to learn.

"I enjoyed this book because it inspired me as a young person to never give up. Even being bullied she didn't let them stop her from living her life and you may end up inspiring someone else."
