"The only ticket you need is your valid library card."

Fall is a great time to come back to Caruthersville Public Library and indulge in a little reading or viewing pleasure. We have done a little "redecorating" and hope you will approve.

Our video selection now has its own shelf at the front of the library, featuring several brand-new DVDs each month. Let us be your FREE Redbox or Netflix. The only price is a Caruthersville Public Library card. Drop by!

Caruthersville Public Library was recently approved for an LSTA Technology Mini-Grant for a new multi-function copier. It will be up and running soon at our library so we can better serve our patrons with clear, color copies, as well as black and white printing and scanning. It will also serve as a backup fax and printer for the library, as well. We could not have afforded this on our own so we are grateful for Secretary of State Kander and the MO State Library for providing these grants.
