### Birthdays Calendar Names Needed Now

The Caruthersville Birthday Calendar for 2019 will soon be submitted and now is the time to add names to the list. Only \$2.00 and they will remain forever. What a deal! It is also a time to purchase an ad for \$50 to have your information viewed for an entire year and to help support our gift to the community, keeping it a free service.

Caruthersville Public Library took over the birthday calendar last year, as a gift to the community after the overwhelming passage of the sales tax supporting the library. We offer calendars during the holiday season and into the new year for no charge.

### Halloween Storytime on October 30th

A spooky night before Halloween is on tap for our annual Halloween Storytime for children at 6:00 on October 30th. According to Librarian Mrs. Sharon Gardner, there will be two guest readers, along with a special Halloween craft, a special snack, and, of course, a goodie-filled bag.

Children may attend in costume and be prepared to enjoy Halloween stories and the fun that always comes with craft projects at the library. (The snacks and goodies are great, too!)

### "Lights on Afterschool" - Oct. 25th Open House

"Lights on Afterschool" is a national initiative designed to inform children and to educate their parents and guardians about the fact that the "lights are on" for their children to come to the library and have a safe place to spend time with their friends, work on homework, have computer time, and even get a healthy snack.

"Lights On Afterschool" will take place at Caruthersville Public Library on October 25th from 3:00 to 5:30 p.m. We hope that parents will come with their kids and take a tour of our building, focused primarily on the services and equipment we provide for kids of all ages. We are a safe place and want you to be confident in trusting your children to us.
